FEES

Stable Call Fees consist of a Base Call Fee (\$150) and Mileage. The fees listed below are for a *single* individual in one barn or region. For multiple clients in your barn or region, only the MILEAGE is divided. Multiple clients in one barn location must be confirmed in advance for scheduling purposes. Unscheduled “walk-ins” are not accepted. Depending on traveling distance, the maximum amount of clients seen in a day varies.

On-site flocking adjustments (\$95) and any other repair work is in addition to the stable call fee. All stable call fees, flocking and/or repairs, shipping and applicable taxes are charged and paid for in full on the day of the appointment. All saddle orders require a deposit on the day the order is taken. Saddle orders are delivered when received (by Dutchess Bridle & Saddle LLC) and are not charged a delivery fee or flocking fee. After-sale complimentary reflocking service for new saddle orders (specific brands apply) are not charged for the flocking but are charged for the stable call. A minimum fee of \$75 is charged for repair follow-up visits or a second visit for trying new saddles. We accept cash, check, VISA, MC, AMEX and DISC. We do NOT offer payment plans for flocking, repairs or saddle orders.
